The undersigned Owner/Operator of irrigated commercial farmland hereby elects to participate in the BUTTE-YUBA-SUTTER WATER QUALITY COALITION (BYSWQC) subwatershed group. Owner/Operator understands that membership dues are charged to cover the cost of administering the subwatershed activities required to fulfill the *"Waste Discharge Requirements General Order"* (Central Valley Regional Water Quality Control Board, General Order for Irrigated Lands Order No. R5-2014-0030).

If you were eligible to join a coalition but failed to join previously, then as an initiation fee, you will be required to pay all past dues. You will be billed for current dues and any applicable past dues as soon as possible after this form is received by BYSWQC. Once all of your membership and per acre fees are paid in full you will be a member-in-good-standing for the current crop year. Your annual membership may be cancelled if you fail to pay your dues. Upon written notification to BYSWQC, you may withdraw your election to participate. Upon cancellation or withdrawal, you will no longer be entitled to coverage as a member of the subwatershed group.

Owner/Operator acknowledges that membership does not confer upon you the right to vote regarding appointment of trustees of BYSWQC or regarding other governance issues of the corporation. A detailed accounting of activities covered by the membership dues will be made available to subwatershed members periodically or on written request. BYSWQC is a 501(c)(3) non-profit organized under the rules of the Internal Revenue Service.
