Impact through Action

The Yuba-Sutter Farm Bureau is dedicated to advocating for the farmers and ranchers who feed our communities. Members and staff actively represent agriculture on local, state, and national issues.

◆ Locally:

- Staff and board members attended County Board of Supervisors meetings when issues impacting agriculture were discussed.
- Supported the Sutter County Ag Commissioner's request to ban industrial hemp through:
 - Writing two formal letters to the Sutter County Board of Supervisors
 - Speaking at two Board of Supervisors meetings
 - Sending a special edition e-newsletter to members about the ban
 - Meeting individually with Supervisors to share YSFB's position.
- Endorsed local candidates for the County Board of Supervisors. Candidates were invited to board meetings to share their goals.
- Attended Congressman LaMalfa's Community Coffee event.
- Participated in the Sutter-Yuba UCCE Technical Assistance Program networking event.

◆ Statewide and Nationally:

- YSFB had three delegates and two alternates at the CAFB Annual Meeting who participated in state-wide policy discussions.
- Four members participated in the Commodity Advisory Committee Meetings: one as the chair, one as the vice chair, and two as members at large.
- One member served on the Policy Review Committee.
- Three members and one staff member attended the Calling on the Capitol event to discuss issues with elected officials.
- One member participated in the California Leadership Farm Bureau Program.
- Met monthly with staff from Congressman LaMalfa's office.
- Met with staff from Senator Dahle's office.
- Attended Congressman LaMalfa's fundraiser.
- Hosted a tour for California Farm Bureau and Nationwide representatives.

Sutter County Ag Tours

This year, Yuba-Sutter Farm Bureau hosted an Ag Tour for elected officials and community partners in Sutter County. There were 24 attendees, including representatives from Senator Schiff's office, Senator Dahle's office, Congressman LaMalfa's office, and the Sutter County Board of Supervisors.

We spent the day visiting members and learning about issues impacting the community. Thank you, Filter Farms, LOMO Cold Storage, and Sutter Buttes Management for hosting our group.

Farm PAC Dirt & Chops Fundraiser

Yuba-Sutter Farm Bureau sponsored the annual Dirt & Chops Fundraiser in support of the California Farm Bureau Fund to Protect the Family Farm (FARM PAC). The event brought together members and supporters to strengthen advocacy efforts that protect agriculture across the state. Farm PAC gives Farm Bureau the ability to support candidates and causes that align with our policy goals.

Contribution to the Kings County Farm Bureau

The Yuba-Sutter Farm Bureau made a \$10,000 contribution to Kings County Farm Bureau to support their lawsuit against the State Water Board because this lawsuit impacts every agricultural region in California, not just one county. The challenge against the State Water Board and the current implementation of the Sustainable Groundwater Management Act is critical to defending locally led groundwater management and protecting the long-term viability of agriculture.

Young Farmers & Ranchers

Young Farmers & Ranchers is a committee of the Farm Bureau for people involved in agriculture ages 18-35. The group provides networking opportunities through monthly meetings and social events.

In 2025, the group toured four local operations highlighting rice production, aerial application, and meat processing. These visits gave members the opportunity to engage with industry leaders and expand their agricultural knowledge and skills.

Members also participated in Farm Day, teaching local youth about crops grown in the area. During months without tours, socials such as a river float and holiday party helped members strengthen connections within the group.

They expanded their Toys for Tots Drive by challenging the YSFB Board of Directors to collect more toys. Together the group donated more than 500 toys for local families in need. YF&R won the challenge!

This year, we awarded 25 jackets to students.

Scholarships

This year, the Yuba-Sutter Farm Bureau awarded \$70,000 in scholarships to 18 deserving students. We continued the Dave Burroughs Perpetual Scholarship for the fourth year and added a Memorial Scholarship for Satnaum Purewal.

Community Connections

Community involvement is a way for Farm Bureau members to give back, whether through volunteer work or participating in local events. This spirit helps build a sense of collective responsibility and strengthens the social fabric of rural communities. The Farm Bureau community involvement is diverse!

COMMON THREADS NORTH

The Common Threads North event recognizes women in agriculture for philanthropy in the community and agriculture industry. This year YSFB board member Christine Ivory received the award. The Yuba-Sutter Farm Bureau was a proud sponsor of the event.

MARYSVILLE STAMPEDE CATTLE DRIVE

YSFB decorated a float at the Annual Marysville Stampede Cattle Drive highlighting the top commodities in Yuba and Sutter counties. The President, five board members, county staff, and their families proudly represented YSFB on the float.

CHP AMNESTY TRUCK INSPECTION

Local transportation companies and truck operators had the opportunity to have their agricultural trucks inspected by CHP. This amnesty program allows operators to get their vehicles up to code without being ticketed.

COWGIRL SOIREE

YSFB sponsored a table at the Annual Cowgirl Soiree. Every year, at this event, women who make an impact on agriculture are recognized. This year, Enita Elphick was honored as the Outstanding Woman of Ag and Carol Edwards received the Cowgirl Spirit Award.

Community Connections

BOUNTY OF SUTTER COUNTY AWARDS

YSFB joined in celebrating local success at the inaugural Bounty of Sutter County Business Awards Luncheon. The event recognized businesses and organizations that help our community grow and thrive, with YSFB members proudly nominating eight local companies for awards.

COLUSA FARM SHOW AND RED BLUFF BULL & GELDING SALE

YSFB represented local members at statewide events, including the Colusa Farm Show and Bull & Gelding Sale, ensuring our county's voice and presence were recognized.

MVP TRAININGS

YSFB collaborated with MVP to offer discounted trainings to our members. This year, we hosted eight sessions in English and Spanish covering topics such as First Aid/CPR, hazmat, sexual harassment, pesticide safety, heat illness, harvest safety, and OSHA regulations.

PUNJABI CULTURAL TRAINING

Staff attended the Punjabi Cultural Training to enhance the understanding of our diverse local agricultural communities.

PUNJABI GROWER TRAINING

Partnered with Sutter and Yuba County Ag Commissioners to host a Punjabi Grower Training on regulatory compliance, attended by 40 participants.

TRI COUNTIES CAREER FAIR

YSFB participated in the Tri-Counties Career Fair by recruiting businesses to participate and securing Farm Bureau members to speak on a panel about careers in agriculture.

YUBA COLLEGE'S AGRICULTURAL TECHNOLOGY EMPLOYER ROUNDTABLE

YSFB members participated in a meeting with Yuba College and other agricultural employers and industry partners to discuss workforce needs and guide the development of a new Agricultural Technology (Ag-Tech) program.

YUBA-SUTTER FARM2FORK FEAST

YSFB played a key role in this year's Farm2Fork Feast, with a board member and staff member serving on the planning committee. Staff also connected members to provide locally grown flowers for the event and helped promote the celebration through our e-newsletter, social media, and Crop Talk magazine.

Irrigated Lands Regulatory Programs

In 2003, the Irrigated Lands Regulatory Program (ILRP) was formed to regulate the discharge from irrigated agriculture for surface and groundwater to protect water quality. The Regional Water Quality Control Board is the regulator of the program.

Growers and landowners formed Coalitions to share the cost to comply and have assistance. The Coalitions report to Regional Water Quality Control Board.

The subwatershed groups were developed to support members, by region, comply with the ILRP. There are 11 subwatershed groups. These groups report to the Coalitions.

The Butte-Yuba-Sutter Water Quality Coalition (BYSWQC) and the Placer-Nevada-South Sutter-North Sacramento Subwatershed Group (PNSSNS) are individual subwatershed groups within the Sacramento Valley Water Quality Coalition.

Services to our members include:

- Reporting assistance for more than 1700 growers.
- Provided regulatory updates and clarification to members via email communications and one on one interactions.
- Coordinated educational opportunities including presentations at local grower meetings and training videos available on YouTube.
- Addressed pesticide exceedances that are harmful to water quality by working with growers, ag commissioners, and Sacramento Valley Water Quality Coalition.

CROP INSURANCE

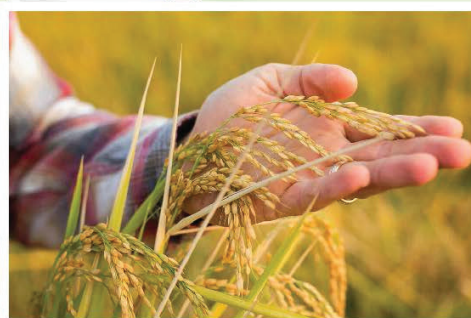

MYTH #1

Crop insurance is only available to orchardists.

From rice, to wheat, to grapes, to almonds, a myriad of California farmers rely on crop insurance to manage their production and financial risks. Crop insurance now covers more than 130 crops and over 11 million acres in California. Anyone whose awareness of crop insurance was shaped even just a few years ago will be pleased when they see how crop insurance has become vital to almost every farmer in every part of California.
