YUBA-SUTTER FARM BUREAU FUND FOR AG EDUCATION 2022 Scholarship Program Guidelines

The Yuba-Sutter Farm Bureau is a non-profit trade organization whose mission is to represent Yuba and Sutter counties' agriculture through public relations, education, and public policy advocacy in order to promote the economic viability of agriculture balanced with appropriate management of natural resources. Yuba-Sutter Farm Bureau is associated at the state level with the California Farm Bureau Federation, and at the national level with the American Farm Bureau Federation. Working together, the members of Farm Bureau make up an organization that is actively promoting agriculture and to make sure that our nation is provided with safe, wholesome, and domestically produced food. Government officials, at all levels, consider Farm Bureau to be "the voice of agriculture." When it comes to America's true grassroots, member-driven organizations, it's tough to rival the effectiveness of Farm Bureau.

As part of our on-going educational programs in Yuba and Sutter counties, the Yuba-Sutter Farm Bureau Board of Directors has established an annual Scholarship Program made possible through the Yuba-Sutter Farm Bureau Fund for Ag Education (YSFB FAE). The goal of the Scholarship Program is to provide financial assistance to qualified, graduating high school students from the Yuba and Sutter counties by supporting their college education. Over the past twenty-one years, we have given more than \$210,000 to deserving students from our community. In order to support farm families and our communities, the Board of Directors is committed to promoting the availability of these scholarships, as well as recognizing the outstanding students who win each year.

Open to high school seniors from Yuba and Sutter counties, the Scholarship Program awards one-time gifts of \$500 or more to a minimum of four students annually. To qualify, the student must be a senior currently enrolled in a public or private high school in either Yuba or Sutter County, must have an average to above-average academic record, and plan to enroll as a full-time student at an accredited school.

Members of the immediate families of members of the Scholarship Committee are not eligible for Scholarship Program awards.

Applicants will be evaluated on their high school records, standardized test results, extracurricular activities, application, and interview. All applications must be received – electronic submissions are allowed – to the Yuba-Sutter Farm Bureau office or emailed to ysfb@ysfarmbureau.com on or before **4:00 PM, Thursday, March 24, 2022**. The Yuba-Sutter Farm Bureau Scholarship Committee will review all scholarship applications, and is solely responsible for determining the suitability of each application for consideration. Submitting an application does not guarantee an interview with the committee. The decision of the Yuba-Sutter Farm Bureau Scholarship Committee, to recommend or not recommend any applicant to the Board of Directors for a scholarship award, is final.
